ANNOUNCEMENT.

FOR REPRESENTATIVE.

We are authorized to announce that E. Day, of Morehead, a candidate for Representative and Representative from Bath and Rowan counties, subject to the action of the Democratic party.

We are authorized to announce Walter Sharp, of Sharpsburg, as a candidate for Representative from Bath and Rowan counties, subject to the action of the Democratic party.

American Revolutionaries has passed into the China seas with his Russian squadron and naturally means to give battle to Japan if they endeavor him on his way to Vladivostok. The news of the latest naval battle of all time may come any day.

Robert W. Daniels, was elected Mayor of St. Louis last week by 14,250 plurality the balance of the elected officials being divided between the Democrats and Republicans.

If it is any measure of them

incite to war than that which has been done it's a Democratic victory at all.

The alleged Democratic party on election day made a signal victory. Tuesday of last was by 2,000 votes giving Judge Edward K. Dunn Mayor over J. M. Harlan, Republican nominee, son of Justice Harlan, who is a strong Democrat. Daniel's plurality was 21,001. Adriana (Ruby) Amon, the eccentric god of baseball, was elected City Clerk of St. Louis. In the balance of the alleged Democratic ticket by large pluralities, though the Republicans elected 38 Councilmen to 14 for the alleged Democratic. The slate of the alleged Democratic party was municipal ownership of public utilities. Why they selected this party I don't know but by its true name of Populist or Socialist party is simply because the name Democratic is still in vogue, and they are in agreement with and the people with the Democracy's belligerence through such victories it's "Farewell, Bright Eye," with the rest, old-fashioned Democracy.
